29 Thursday, All floriculture and agriculture entries due to Douglass Robinson bldg., 6:30am - 8:30am
September 2 - Pick up all fair entries at Douglass Robinson bldg., 12pm - 6pm

Junior Livestock Show & Sale
July 9-13, 2013

Created originally as a way for kids to showcase the best of the projects they raised at home, it has evolved into an event to allow kids the opportunity to learn responsibility, individualism and dedication.

The Eastern Sierra Tri-County Fair brings together over 200 kids ranging from 5 to 19 years old, showing a wide variety of animals from rabbits to cattle, and all the livestock in between. The students’ ultimate goal is to reach the Junior Livestock Auction where they are rewarded for the hard work and dedication.

See page 7 for more information on the Junior Livestock Show and Sale, or you can also visit the fairgrounds website online, to download the youth entry guidebook for more information on times, rules, and more.

4-H Department - how to enter and special awards

Attention! New Premium Point System
For Fair Entries!

New this year, premiums paid for entries to the 4-H Department at the Tri-County Fair will be by the point system. See Page 5 for a detailed description of the new point system. Points are awarded based on the difficulty of making or growing a particular item. Each point will be awarded a numerical value to determine total premium’s paid. Call the 4-H office if you have any questions!
4-H State Leadership Conference 2013: Celebrating 100 years of California 4-H
July 25-28, 2013 at UC Davis, This year's theme: There's no place like 4-H, The 4-H State Leadership Conference brings together high school youth from across California in a four-day leadership training, networking, and learning experience. For more information visit: http://www.ca4h.org/Programs/Conferences/SLC/

4-H Thrive Master Trainer, Train-the-Trainer Workshops
This year we will be offering 3 professional development opportunities for Thrive Leadership development Projects. The full details and registration information will be coming shortly. The travel and development expenses are fully covered for each county to send up to five (5) people. Each county will send one team. The dates are: August 24-25, 2013 in Davis, CA, September 7-8, 2013 in Visalia, CA, or September 14-15, 2013 in Anaheim, CA. Contact Serena, your 4-H program rep, if you are interested in joining the team and becoming a Thrive Master Trainer!

Friends of 4-H Fundraiser—Join us!
Our 4-H County Council is funded by our annual Friends of 4-H fundraiser. Each spring we send out letters to our 4-H families and community partners, inviting them to join as a Friend of 4-H. As you know, increases in 4-H costs continue to impact our local program. Enrollment fees are now insufficient to cover our expenses. In order to meet our financial obligations the county 4-H council relies on fundraising to make up the difference. Increased expenses have made fundraising more important than ever to our organization. We know family time is precious so in lieu of hosting numerous fundraising events throughout the year, we are asking for support through a cash donation. Any money donated would remain in the Inyo-Mono 4-H program and support local scholarships, educational events, and activities. We ask you to consider supporting your local 4-H youth program, with an amount that works with your budget, $15, $20, or $30 would help! We promise to put your dollars towards improved programming and developing our 4-H program. If every 4-H family gave only $20, we would meet our fundraising goal for this year of $2,000 and have extra to help with our budget next year. Thank you!

California 4-H $1,000 for 1,000 Service Learning Projects - 2013 Revolution Of Responsibility
http://www.ca4h.org/Support/RoR/
Application Deadlines: July 15, 2013, September 15, 2013, and November 15, 2013

Junior Livestock Show
Everything you Need to Know

Attention 4-H Clubs!
Each 4-H club is asked to bring five watermelons to donate to the dinner. Please drop them off at the Tallman Bldg. at the fairgrounds (the new red building) at 1pm on Saturday, July 13.

Do you have a Junior Livestock Show & Auction question?
While everyone is getting geared up for the upcoming Junior Livestock Show, many questions arise. Please DO NOT call the 4-H office.

For any questions, please call the fairgrounds at 760-873-3588.

4-H Members needed to Help!
Bristlecone and Mt. Tom Club members—ages 14+ are asked to help serve dinner on Saturday, July 13. All 4-H members are asked to help clean up after the dinner.

Runners needed! After you have taken your market animal through the auction, report to behind the auction ring to help. Younger members can help serve ice tea and water to buyers in the stands. Older 4-H members can help run buyer sheets to the buyers to sign after they've bid on an animal.
Junior Livestock Show
Everything you Need to Know - continued

What to Wear
If you are showing an animal as a 4-H member, the Fair Rules require that you wear:
- White long sleeve shirt with collar
- 4-H Tie or Scarf
- Dark navy blue plants (new jeans or corduroy)
- 4-H Hat: Green for grades 4-8, White for grades 9-12
- Appropriate footwear is required to protect your feet in case of an injury from an animal

The 4-H Office has hats, collars, and ties in stock. Ties are $14.00, Hats are $15.00, and Collars are $16.00. You can order your own direct from Leslie Carmen Company. If you are going to order your own you need to do it as soon as possible, as it takes 1-2 weeks. Don’t wait until the last minute. Prices shown include sales tax & shipping.

Buyers & Exhibitors Dinner
Saturday, July 13, 2012 at 4:00 p.m.
Charles Brown Auditorium
Tri-County Fairgrounds
Cost: $7.00 per adult and youth
The annual pre-auction Buyers Appreciation and Jr. Livestock Show Exhibitors Dinner will begin at 4:00 pm. The AUCTION WILL FOLLOW STARTING AT 6:00 P.M.
All 4-H and FFA members and their families are invited to attend. This will give 4-H members a chance to meet with the buyers, and have the opportunity to thank buyers who purchased their animals in past years. For more information, call the Fairgrounds at 873-3588.
At this dinner, the 2012 Top Ten Buyers will be introduced. Some awards earned during the show will be given out at this time to 4-H and FFA members.

Everyone is invited to attend this dinner.

TIPS FOR SELLING -- IMPORTANT INFORMATION
Part of the educational experience in a project involving market steers, lambs, hogs, turkeys and meat pen rabbits is learning how to market an animal. Here are some tips for how to prepare for this step:

One month before the Jr. Livestock Show starts:
Prepare what you will say to a buyer: Think of this as public speaking. What do you want the buyer to know? Who are you? What is your animal? Why should the buyer be interested in YOUR animal? When and where is the auction? Explain the dinner before. Invite the buyer to visit your animal before the auction. And, PRACTICE this with your parents before you contact anyone!

Talk to buyers: Market animals are sold in auctions and the more buyers bidding on your animal, the better the price. You should contact at least 5 buyers personally. Your 5 buyers will help everyone trying to sell animals because only one of those 5 will get your animal; the others will still be bidding. Start near the end of June contacting people and be prepared to contact many potential buyers; other 4-H members will likely be calling the same people! The best form of contact is personal – in person or at worst, a phone call before a personal visit.

Advertising the Jr. Livestock Show: You can be a part of the advertising for the Show. You can write a short biography of yourself for the newspaper or record a message to be played on KIBS. Remember, the greater the number of people YOU invite to attend, the better the overall attendance!

Find you what you need to bring to the Jr. Livestock Show: Ask your leader!
Junior Livestock Show

Everything you Need to Know, continued

The week before the Jr. Livestock Show:

Barn Duty: Please be aware that taking care of the 4-H barns is a shared responsibility and that your project leader will assign specific times for you to be at the pens for your club. Do not worry; your project leader will not assign you times that conflict with shows, etc. **You must be there when assigned!**

Assignments for Clubs: All 4-H clubs have been given specific assignments by the Jr. Livestock Show Committee in order to help the show run smoothly. This is part of your responsibility as a 4-H member to the livestock community. **Check with your community leader to see what task your club has been assigned and then help do it!**

On Auction Day, July 13, 2013

Help others: If your tasks are done and you see a fellow 4-H member having difficulties, help them!

Getting ready for the show: ALL animals MUST be clean and ready to go no later than 3 p.m. There are NO EXCEPTIONS because the wash racks will be closed after 3 p.m. No one will want to bid on a dirty animal. YOUR clothes are important also! Neat clothes suggest someone who has taken care of the animal; a dirty, sloppy appearance suggests the opposite. HINT: Bring your clean (and pressed) clothes to the Fairgrounds but do not put them on until AFTER you have washed your animal.

Buyer and Exhibitor Dinner: Dinner starts at 4 p.m. and the cost is $7.00 per person. All 4-H members and families must pay for their own meals. Here is another opportunity for you to talk to buyers; find the ones you invited and thank them for coming. (Do not remind them to bid on your animal; they know they are supposed to do that!). A simple ‘Thank you’ for coming will impress them a lot more than a last minute sell job! If your family bought an animal last year, they may have “free” tickets for the dinner (and would have received them in the mail). If so, do not forget to use them.

Runners: ALL exhibitors must also be runners. Runners are desperately needed during the last half of the auction, so plan on staying until the end. Your duties will include getting papers to buyers, passing out iced tea, and supporting fellow 4-H members.

After you go through the auction ring: Volunteer as a runner; do not wait to be asked! **STAY UNTIL THE END!** Think how you would feel if you were the last one to show your animal and none of your club or project members were there to watch you. The simple act of staying until the end and being part of the audience will help your fellow 4-H members.

Feeding the animals after the auction: You may have sold an animal, but you still need to care for that animal until it is picked up. Regardless of whether your animal(s) sold, you need to feed and water it when it returns to its pen. You can then take your feeding equipment and leave. If ANY of your animals did not sell, you CANNOT take your feeding equipment and unsold animals until after the ones sold have left on the truck.

Release of animals: All animals designated as “live pick up” and all animals not sold at the show WILL BE HELD until 9:00 a.m. on Sunday, July 14th (after the sale animals have left on the truck).

After the auction:

Thank you cards: The sale of a 4-H animal is as much about YOU as about the animal. A buyer is more likely to buy from you next year if they are impressed with you this year. A great way to impress someone is to write a **thank you card or letter that is personalized**. Tell the buyer something about you and the animal; maybe a funny incident or something that you learned about raising animals. **Make an impression!**

Record books: The purpose of the auction is for you to learn about keeping track of costs and income, something that a businessperson has to do daily. You must update your record book by filling out the auction information, finishing your Average Daily Gain chart, and completing your profit and loss statement. Do this the next day after the auction while the information is fresh in your mind!

Thank you cards and record books: **MUST be turned into the 4-H Office by August 16th.** The thank you card or letter must be addressed and stamped so that we can mail it. **If we do not receive your updated record book and ‘thank you’ by August 16th, then you will not be allowed to register for an animal project next year.**

Checks: When you turn in your record book and thank you note, we will give you your check. Checks will be available at our office approximately 2 weeks after the Jr. Livestock Show. It is your responsibility to pick the check up. It is strongly suggested that you send your thank you card or letter ASAP after the auction. Do not wait until the deadline to thank your buyer. Most 4-H members don’t want until the checks are here, but go ahead and send the thank you immediately, and come back to the 4-H Office to pick up the check. **IMPORTANT REMINDER: YOU MUST BRING YOUR THANK YOU CARD OR LETTER TO THE 4-H OFFICE before mailing or delivering to your buyer. We prefer to mail it from our office to make sure it does get mailed, but some members like to take it to the buyer themselves. Just let us see that you have the letter or card.**
4-H DEPARTMENT - Department 4H

4-H Department Head: Sheryl Greer

4-H EXHIBITOR AGE GROUPS

K-3rd Grade (Primary) 4th - 12th Grade (Junior/Senior)

PREMIUMS PAID PER CLASS BY POINT SYSTEM
(Junior/Senior Division Only)

What is a point system? How much will each 4-H member receive in premiums? New this year, the 4-H Department will use a point system for calculating premium payments. For example, a 4-H member enters a Pumpkin Pie in Division 711, Class 4, and receives a 1st place ribbon. The 4-H member receives a total of 6 points. If the total number of points for all exhibitors at the 4-H Department was 1,000, and the total premium money available for the year was $500, then each point would be worth $0.50. The 4-H member with 6 points would then receive a premium check for $3.00. Due to budget constraints and lower amounts of State Funding that is available, this point system allows the 4-H Department to stay in budget while still awarding 4-H members for participation.

Point value to be determined by total number of points awarded. Based on the difficulty of making or growing a particular item, the number of points earned may be different in each division. The value of each point is the same. In all categories 3rd place will not receive any premium points, only a ribbon. Ribbons will be given to 1st, and 2nd place winners in addition to the premium payout.

4-H Youth Development Programs are non-traditional voluntary educational programs operated under the auspices of the University of California Cooperative Extension and the United States Department of Agriculture. Inyo and Mono Counties are third partner in the venture, providing funds for support staff and facilities. In Inyo and Mono Counties, 4-H serves its members via community clubs, after-school 4-H programs and other special programs. 4-H Membership is open to all youth eligible for entrance into Kindergarten through Dec. 31st of the year in which they turn 19 years of age. The projects exhibited at the Eastern Sierra Tri-County Fair are the results of members’ efforts under the supervision of adult volunteers. For additional information on the 4-H Youth Development Program in Inyo and Mono Counties, and to learn how you can join or become a volunteer leader, please contact the 4-H Office at (760) 873-7854.

4-H DEPARTMENT RULES:

1. These Divisions and Classes are open to all 4-H Members in Inyo, Mono and Alpine Counties, as well as 4-H Members in those parts of Nevada listed in the Local Rules.
2. All entries in these Divisions must have been made, collected, grown, prepared and entered by the exhibitor who is enrolled in the 4-H Youth Program within one year of the opening day of the Fair.
3. 4-H Exhibitors MAY NOT enter the same Divisions in the Junior Department as they are entering in the 4-H Department.
4. 4-H Exhibitors DO NOT have to be in a specific project to enter.
5. 4-H Exhibitors MUST be enrolled in a 4H Club, and have the entry form signed by the 4-H Program Representative or your local club leader. 4-H Exhibitor’s age and grade must be on entry form.
6. LIMIT 2 ENTRIES PER EXHIBITOR PER CLASS. *NOTE: Entries must have differing characteristics.
7. All special contest cash awards will be paid to the exhibitor by the 4-H Office.
8. 4-H Primary (K-3rd Grade) Exhibitors ARE NOT subject to paying entry fees for their entries. Therefore, 4-H Primary (K-3rd Grade) Exhibitors entries ARE NOT judged nor are they eligible to receive 1st, 2nd or 3rd place awards or Best of Show awards for their entries. They will receive participation ribbons. Instead, they will be eligible for "Primary Awards" which will be selected by random drawing from entries in the designated Primary divisions as shown on pages 61-65.

The Danish System of judging is based on established standards of quality for each type of product. In this system, each exhibit is judged according to how well it meets that standard, rather than how it compares with other exhibits.

In all 4-H Departments using the Danish System, the following outlines shall be used by the Judge:

1st Group - Superior 92-100% - Blue Ribbon
2nd Group - Good 84-91% - Red Ribbon
3rd Group - Average 70-83% - White Ribbon
4th Group - Poor 69% or less - No Ribbon

Best of Show Winners are chosen from the 1st Place entries in each Division, unless otherwise noted.
4-H DEPARTMENT - Department 4H

4-H RoadRunner Newsletter

The RoadRunner sends you information on events, meetings, trainings, general interest and due dates. Specific club and project information can also be included.

We encourage clubs and individuals to submit articles and photos. All information must be received in the 4-H office by the 3rd Thursday of the month for the next RoadRunner. The best way to submit information is to email it to: sldennis@ucanr.edu

4-H Revolution of Responsibility Projects

4-H Members across our county are completing 4-H Revolution of Responsibility community service projects. Here, 4-H member Aubrey and the Lone Pine 4-H Garden project built raised beds and grew food for their school. 4-H members are making a difference in our community now! Do you see a need in your community? Do a Revolution of Responsibility project! See page 2 for more information.

Sincerely,

Serena Dennis,
4-H Program Representative
