Hi, my name is Mylee Patton and I’m seven years. I belong to Lone Pine 4-H Club and will be showing my Goat Tootsie and Rabbit Chocolate this year for the third year in a row. I have three older sisters that also belonged to Lone Pine 4-H and Lone Pine FFA. All three of my sisters showed Pigs and Steers. So, I’m going to show Lambs and Heifers when I’m old enough. This was my second year to raise Leppy Lambs for the Lone Pine FFA Farm. I have bottle fed and helped take care of six Leppy Lambs in the past two years. This year four of my Leppy Lambs will be shown and auctioned at the Jr. Livestock Show by FFA and 4H members. I will be showing my lamb Hercules on Saturday morning in Little Brothers and Little Sisters Showmanship. So I’m practicing Showmanship with the 4H and FFA kids because I really want to win. I think everyone should join 4H because it’s so much fun!
On March 17, 2015 at our community meeting for Sierra Crest we had a guest speaker, Bill Dailey. Bill works for Fish and Wildlife in Inyo County. He brought a decoy bear, antlers from a variety of animals, and a stuffed and mounted young mountain lion, and we were able to touch all of these things. He described what his job is like here in Inyo County, which is a lot more than we realized. This was a very interesting and fun meeting we had. All the kids, and adults, were really interested with what Bill had to say, and asked him a lot of questions. I want to thank Lily Brooks for inviting Bill to come to our community meeting.

Thank you,
Justin Brooks

Kristin Kubiak (club president), Justin Brooks (club treasurer), club members Kaleb Brooks and Kiley Simpson giving Bill Dailey a Thank You card.

4-H DEPARTMENT – Department 4H

4-H EXHIBITOR AGE GROUPS
K-3rd Grade (Primary) 4th - 12th Grade (Junior/Senior)

PREMIUMS PAID PER CLASS BY POINT SYSTEM
(Junior/Senior Division Only)

What is a point system? How much will each 4-H member receive in premiums? The 4-H Department will use a point system for calculating premium payments. For example, a 4-H member enters a Pumpkin Pie in Division 711, Class 4, and receives a 1st place ribbon. The 4-H member receives a total of 6 points. If the total number of points for all exhibitors at the 4-H Department was 1,000, and the total premium money available for the year was $500, then each point would be worth $0.50. The 4-H member with 6 points would then receive a premium check for $3.00. Due to budget constraints and lower amounts of State Funding that is available, this point system allows the 4-H Department to stay in budget while still awarding 4-H members for participation.

Point value to be determined by total number of points awarded. Based on the difficulty of making or growing a particular item, the number of points earned may be different in each division. The value of each point is the same. In all categories 3rd place will not receive any premium points, only a ribbon. Ribbons will be given to 1st, and 2nd place winners in addition to the premium payout.

4-H Youth Development Programs are non-traditional voluntary educational programs operated under the auspices of the University of California Cooperative Extension and the United States Department of Agriculture. Inyo and Mono Counties are third partner in the venture, providing funds for support staff and facilities. In Inyo and Mono Counties, 4-H serves its members via community clubs, after-school 4-H programs and other special programs. 4-H Membership is open to all youth eligible for entrance into Kindergarten through Dec. 31st of the year in which they turn 19 years of age. The projects exhibited at the Eastern Sierra Tri-County Fair are the results of members’ efforts under the supervision of adult volunteers. For additional information on the 4-H Youth Development Program in Inyo and Mono Counties, and to learn how you can join or become a volunteer leader, please contact the 4-H Office at (760) 873-7854.

4-H DEPARTMENT RULES:
1. These Divisions and Classes are open to all 4-H Members in Inyo, Mono and Alpine Counties, as well as 4-H Members in those parts of Nevada listed in the Local Rules.

2. All entries in these Divisions must have been made, collected, grown, prepared and entered by the exhibitor who is enrolled in the 4-H Youth Program within one year of the opening day of the Fair.

3. 4-H Exhibitors MAY NOT enter the same Divisions in the Junior Department as they are entering in the 4-H Department.

4. 4-H Exhibitors DO NOT have to be in a specific project to enter.

5. 4-H Exhibitors MUST be enrolled in a 4H Club, and have the entry form signed by the 4-H Program Representative or your local club leader. 4-H Exhibitor’s age and grade must be on entry form.

6. LIMIT 2 ENTRIES PER EXHIBITOR PER CLASS. *NOTE: Entries must have differing characteristics.

7. All special contest cash awards will be paid to the exhibitor by the 4-H Office.

8. 4-H Primary (K-3rd Grade) Exhibitors ARE NOT subject to paying entry fees for their entries. Therefore, 4-H Primary (K-3rd Grade) Exhibitors entries ARE NOT judged nor are they eligible to receive 1st, 2nd or 3rd place awards or Best of Show awards for their entries. They will receive participation ribbons. Instead, they will be eligible for “Primary Awards” which will be selected by random drawing from entries in the designated Primary divisions as shown on pages 59-66.

The Danish System of judging is based on established standards of quality for each type of product. In this system, each exhibit is judged according to how well it meets that standard, rather than how it compares with other exhibits.

In all 4-H Departments using the Danish System, the following outlines shall be used by the Judge:
1st Group - Superior 92-100% - Blue Ribbon 2nd Group - Good 84-91% - Red Ribbon
3rd Group - Average 70-83% - White Ribbon 4th Group - Poor 69% or less - No Ribbon

Best of Show Winners are chosen from the 1st Place entries in each Division, unless otherwise noted.
